

EpiMask Sheet Mask Facts

Our Sheet Masks are made of “cupra” – a cellulosic nonwoven sheet. Cupra differs from regular nonwoven sheets because of its:

1. High level of liquid absorption
2. High level of adhesion to the skin
3. High purity (100% cotton)
4. High biodegradability

The serum is loaded with anti-aging active ingredients!

- ✓ **Purslane extract** = high amounts of omega-3, Minerals, Vitamin A -> anti-inflammatory
- ✓ **Niacinamide** = Vitamin B3; renews & restores the skin barrier
- ✓ **Ceramide** = instantly smoother skin, anti-wrinkle
- ✓ **Sodium Hyaluronate** = preventing water loss, plumps up wrinkles
- ✓ **Squalane** = anti-oxidant
- ✓ **Centella Asiatica** = soothes the skin, helps healing
- ✓ **Beta-Glucan** = immediately tightens the skin by forming a strong layer in the skin
- ✓ **Rosa Gallica Flower** = reduces wrinkles, heals bruises -> strengthens capillaries
- ✓ **Narcissus Extract** = anti-bacterial
- ✓ **Hydrolyzed Collagen** = collagen peptides (smaller particles) for max. hydration
- ✓ **Tripeptide-1** = repairs UV damage
- ✓ **Hexapeptide-8** = muscle relaxation, plant “Botox”
- ✓ **Clover extract** = high in isoflavones which reduces aging induced by estrogen deprivation
